President's Notes

Hello FKSCC members,

Let me be the first one to welcome you to the 2019-2020 Luncheon season. I am honored to be serving as your new president this year and I look forward to getting to know each and every one of you.

I'm a military spouse of 13 years. My husband and I are both natives of Saint Louis, and we have two great kiddos, Gavin (6), and Gracie (3). When I'm not chasing around a 3 yr old or driving my son to and from some sort of practice, I enjoy reading, crafting, and doing anything outside. I have a passion for volunteering and a love for military families.

My motto for the year is "Together We Grow." That being said, my goal is to spread the word about this amazing club and reach the spouses living in our own backyard.

I plan to focus on three areas of growth; Friendship, Support, and Philanthropy. I want to create an environment where friendships can develop naturally, where members feel supported, and where we never forget those around us who need our help, whether financially or hands on.

My challenge for our members this year is to get involved. Join one of our new sub clubs, sign up to volunteer at an event this year, or join a committee. We have numerous opportunities within our group for you to give back. You can jump right in, by coming out to support our Super Sign Up event next week!

See you there!
